The views expressed in this issue are those of the authors and do not necessarily reflect the views of the Editorial board or polices of Hebron University.

Instructions for Authors:

- 1- The research submitted to the Journal should be original (authentic) ensuing the rules of academic research.
- 2- The research should be stylistically well written in terms of both syntax and grammar.
- 3- The research must not have been published or submitted for publication elsewhere, and the author must present a written confirmation to this effect.
- 4- Authors should submit three copies (A4) of the manuscript and a floppy diskette. The manuscript should not exceed 25 pages typed by (Ms Word) program in a font size of (14), and Times New Roman font.
- 5- The manuscript should be double-spaced, and the margins 2.5 cm wide.
- 6- The Journal accepts reviews about books published recently, but not exceeding 1000 words.
- 7- Authors should consider the recommended suggestions given by referees, showing that in a separate report. When authors don't agree with the recommendations given by one of the referees, s/he (author) should explain her/his point of view.
- 8- Authors will be provided with one copy of the published issue in which the work appears and 10 off-prints.
- 9- The Editorial Board's decisions regarding acceptance or rejection of manuscript are final. The Board reserves all right not to justify those decisions.
- 10- If the author chooses to withdraw his article after it has been processed, he/she shall reimburse The Journal with the cost of reviewing.

Format:

- 1- The first page of the manuscript should include title, author's name (first name, middle initial and last name), place of work, and an abstract written in both languages Arabic and English. Abstract should not exceed 150 words.
- 2- Text including, introduction, objectives, literature review, materials and methods, results, discussions, and recommendations.
- 3- References
- 4- Appendices, tables, and figures.

Citations:

The manuscript citations should be documented as follows:

- 1- References should be arranged serially starting with No (1)
- 2- References should be listed at the end of the manuscript in alphabetical order according to family (last) name of the first author.
- 3- Throughout the manuscript, references are pointed to by using the family name of the author and the year of publication in parenthesis separated by a coma, such as (Abrams, 1977) or (Spiller. et. al, 1986)
- 4- Illustrations, Tables, or Graphs should be prepared on a separate sheet, properly identified by the figure number and author's name. Captions for all illustrations must be typed in a list on a separate sheet or sheets of paper, with the proper figure number preceding each caption. Tables should be numbered consecutively and must have descriptive titles under the table. Tables and figures should be prepared separately on a Power Point program and Font Size (12). Figure captions should be typed below the figure by using Times New Roman font.
