**Career Exploration**

Support for **career exploration** stipends will ensure that all our students gain the competitive edge that comes from internships and other experiential learning opportunities.

**Student Scholarships**

New resources for student scholarships will ensure that all qualified students have access to a Hebron University education and the myriad opportunities it brings.

**Student-Faculty Research**

Funding for **student-faculty research** collaborations will support the most powerful form of teaching and learning at Hebron University.

With a current enrollment of over 8,000 students that means your giving helps more than 3,000 with tuition, books and research.
